NativityMiguel Buffalo
The NativityMiguel Middle School of Buffalo

VOLUNTEER OPPORTUNITIES

Our students rely on the generosity of the community to make a NativityMiguel education possible. They love visitors and welcome your help. Your presence and your good example can make a significant difference to their future success. Some current opportunities include:

- Tutor students in reading or math or provide homework help either one-on-one or in small groups during after school study hall.
  - St. Augustine Campus (boys)
    3:00 pm – 4:00 pm on Monday and/or Friday
  - St. Monica Campus (girls)
    3:30 pm – 4:30 pm on Monday and/or Friday

- Provide one-on-one or small group help during regular school hours to students struggling with reading or Math. For example, a volunteer who works with one of our refugee students during the period following lunch has significantly improved the student's English language skills.
  - Date and time depends on your interest and availability.

- Lego Club: we have plenty of Legos waiting to benefit from the creativity of our students.
  - St. Augustine Campus (boys) 4:00 pm to 4:30 pm once a week, ideally on Friday

- Start a school chorus or choir. The Daughters of Music are self-taught. Just think how our students would blossom with some additional adult assistance. From past experience, this works best if scheduled during one of our regular class periods.
  - Once a week or once or twice a month at a mutually convenient time between 9:00 am and 2:45 pm with either the boys or the girls.

- Board of Trustees Committees on Communications, Education, Facilities, Finance or Advancement: Committee members provide an invaluable service to the school.
  - Each committee meets once a month on dates and times selected by committee members, often at the beginning or end of the regular business day.

You are welcome to join the community of volunteers who tutor, mentor, support and enrich the education of our students. For more information, please contact:

Nancy M. Langer, President
