

NativityMiguel Buffalo

The NativityMiguel Middle School of Buffalo

VOLUNTEER OPPORTUNITIES

Our students rely on the generosity of the community to make a NativityMiguel education possible. They love visitors and welcome your help. Your presence and your good example can make a significant difference to their future success.

Some current opportunities include:

- Tutor students in reading or math or provide homework help either one-on-one or in small groups during after school study hall or during regular school hours. We are looking for volunteers able to keep to a regular weekly schedule. Materials and background on the student's needs are provided.
- Lego Club: we have plenty of Legos waiting to benefit from the creativity of our students.
- Science Club: join the First Hand Science Committee with the girls at St. Monica's on Tuesdays at 3:45 pm.
- Board of Trustees Committees on Communications, Education, Finance or Advancement. Committee members provide an invaluable service to the school. Each committee meets once a month on dates and times selected by committee often at the beginning or end of the regular business day.
- High School and College students are also invited to help us during our summer program during the month of July.
- We also host volunteer groups looking for a one-time service experience, usually on weekends or outside regular school hours.

You are welcome to join the community of volunteers who tutor, mentor, support and enrich the education of our students. For more information, please contact:

Nancy M. Langer, President (716) 984-5146 or nlanger@nativitymiguelbuffalo.org.
